Seven Inches of Rain Falls During Storm in Lomita

Practically no damage except along the line of the recently excavated sewer ditches which were flooded and caved in in many places, was done in Lomita during the storm of the past week-end. A few low spots were temporarily inundated and some silt was washed over a few streets. Two trees were reported to have fallen, one of them toppling over on the roof of an unoccupied house.

Marian Nixon who plays the role of a younker in the new Fox production "Pilgrimage."
